

Hello SU Families,

ISASP Testing

Students in grades 3-5 will start ISASP testing on Thursday. Every 3-5 student in Iowa takes the ISASP each year to measure their progress in reading, math, and writing. Students will take a different test each day. This is what our testing schedule at SU looks like:

4/6-Writing Part 1

4/7-Writing Part 2

4/10-Science (5th grade only)

4/11-Reading

4/12-Math

Here's what you can do to help your student perform their best on these tests-talk with your student about trying hard, make sure they get a good night's sleep before the test, and bring them to school on time each testing day.

We are excited for this opportunity for our students to show how much they know!

Upcoming Dates

3/13-3/21 No School-Spring Break

4/19 Spring Concerts/Title Night

4/27 SU at the Science Center
