

Hello SU Families,

It was nice seeing so many of our families during interpreters conferences this week. Information about the rest of our conference dates and times will be sent out next week.

DMPS One Run

The 5th annual DMPS Foundation OneRun is the easiest way to raise money for SU! When you register for free and participate as a runner, walker, or supporter, the sponsors will send money to South Union. The OneRun will be held at Water Works Park on Saturday, September 28, 2024, with check-in between 8:00-8:45 a.m. The event is a 2-mile fun run/walk. More participants = more money for our school!

Birthday Treats

When it is a student's birthday, we celebrate by wishing them a happy birthday on the announcements and calling them down to the office for a small gift (such as a pencil, bookmark, sticker, etc.). Due to allergies, NO TREATS can be brought to school! If you would like to send a non-food item (small trinkets, party favors, etc) you can.

Notes from Nurse Rose

Immunizations-

Please remember that if you received an Immunization Provisional from the nurse's office stating that your student has immunizations due, please be sure to get them scheduled prior to the certification expiration date. If you have taken your student in , please let me know and provide records from your doctor's office , so that I can update your student's file. If you need assistance making an appointment for immunizations , please contact my office and I will assist you.

Medications:

If your child needs to take medication at school , please follow these requirements:

-Medications prescribed by the doctor must be in the prescription container, with prescription on bottle or container.

-Over the counter medications require a doctor's order that include student name, medication name, dose , frequency and route.

-Parent must fill out parent permission form available in the nurse's office.

If you have any questions regarding these requirements, please let me know.
